## DETAILED ACTION

1. The following communication is in response to Applicant's amendment filed 15 November 2006.

### *Status of Claims*

2. Claim 1 and 19 are currently amended. Claims 1-5, 8-13 and 19-21 are currently pending.

### *Claim Rejections - 35 USC § 112*

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 1-5, 8-13 and 19-21 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding claim 1, the phrase "canceling the respective reserved certain transaction amount" renders the claim indefinite because the manner in which payment is performed is not clear. It is unclear whether the canceling step is canceling the remainder of funds left in the micropayment account after the fee amount is debited. Also, it is not clear what happens if the fee amount is equal to the reserved amount, because there would be no reserved funds remaining to be cancelled. For examination purposes, the phrase "canceling" the reserved amount means canceling the remainder of reserved funds left in the micropayment account after the fee is

Art Unit: 3691

debited and if the entire reserved amount is used in the fee debiting, then the reserved amount is diminished through the debiting and crediting.

*Allowable Subject Matter*

5. Claims 1-5, 8-13 and 19-21 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

*Conclusion*
